

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Thursday - 25 January 1962

1. [ ] Talked with [ ] WH, who agreed that the DCI should not see [ ]. Advised Margaret Young, in the office of Representative Bob Wilson, that we had considered carefully the question of [ ] seeing the Director and felt that it would be inappropriate at this time. She indicated she thought Mr. Wilson would understand and I requested that if the Representative had any question on this to please let me know.

2. [ ] [ ] telephoned saying that Henry Wilson, in the White House, received a call from Representative Hale Boggs (D., La.) urging that someone in the Agency interview [ ] who is apparently a former Agency employee. His telephone number is [ ]. Arrangements were made for Mr. Warner to see [ ] 10:30 on 29 January.

3. [ ] At his request, I talked with David Perry, in the office of Senator Vance Harthe (D., Ind.), on the case of [ ] an Agency employee who is being separated under the provisions of Agency [ ] as surplus personnel. I reviewed [ ] case for Perry covering the Director's 102(c) authority and the procedures established for such cases. Perry said he had no quarrel with us in the exercise of our authority or in the procedures followed, but felt most sympathetic to a lady of [ ] years and Government service and merely asked that we do everything we could to assist her in finding employment elsewhere. I told Perry that our Out-Placement people have been working with [ ] on this and will do everything possible to assist her. The substance of my conversation with Perry has been passed on to [ ] IG's office, and to Messrs. [ ] Personnel.

4. [ ] [ ] OCR/Liaison, called to say he was meeting with Dr. Elsberry, of the Library of Congress, to discuss a liaison procedure between the Library and the Agency. [ ] will send us a copy of his memo on the meeting.
